## Catch Me At My Best

Hear ye! Hear ye! I have good news!  
There is nothing like this Hampton Crew "Schmooge"

I'm always greeted with a hug and a smile,  
It makes our long car trip worth every mile.

From the bottom of the team, to the very top,  
Each member labors. passed time to stop.

For the campaign, "Catch Me At My Best",  
It's difficult to choose one, from all the rest.

So I name them, each and every one,  
Who share in my stay here, so much fun!

After 10 years of great service,  
I want this card to read.....
